IQ. SPORTS SUPPLY

CYCLING CLUBS & RACE TEAMS

Pro-level kit and equipment for your club.

Custom club clothing, race bikes and Shimano groupsets for British clubs and club race teams – from a supplier built around pro teams.

WHAT WE SUPPLY

Kit your club like a pro team.

Whether it's a new club kit, bikes for your race squad or groupsets for members' builds, IQ Sports Supply gives your club trade access to pro-team supply at club pricing.

01

Custom club kit

Your club's design, made in top-quality fabrics – race-grade, not generic.

- Jerseys and bib shorts
- Gilets, aero socks and bidons
- Designed around your club colours and sponsors

02

Shimano groupsets

Dura-Ace, Ultegra and race spares for your race squad and members.

- Complete groupsets built to spec
- Crank lengths, gearing and rotors per rider
- Race-season spares and consumables

03

Race team bikes

Complete bikes for your club race team, built to one spec.

- Road, TT and gravel
- Matched to your team's groupset spec
- Ordered ahead of the season

04

Components & tools

Spares and tools for club mechanics and race days.

- Components and consumables
- Workshop and race-day tools
- Restocks through the year

Club tier

Clubs get their own pricing tier. Once your account is approved you see club pricing in the portal – ex VAT, with every order, invoice and delivery tracked in one place.

WHY IQ

Simple for the volunteers who run it.

Club officers are volunteers. The IQ portal keeps ordering, invoices and deliveries in one place so whoever runs kit or the race team doesn't have to chase anything.

01

Club pricing

A dedicated club tier, agreed per account and shown ex VAT.

02

Multiple addresses

Kit secretary, race team manager or clubhouse – all on one account.

03

Made to order

We buy against your order – not limited to what's on the shelf.

04

Build to spec

Race-squad bikes and groupsets specced per rider, ordered as one line.

05

Clear paperwork

Invoices, proformas and credit notes as PDFs for your treasurer.

06

Track everything

Order status, back orders and full order history in the portal.
